4. Tool Chest
5. Aluminum (preferably 6061), Steel (4130 chromoly), magnesium, titanium stock.
6. Air Compressor (travel size)
7. Air hoses & Fittings
8. Battery charger
9. Bolts and Nuts (ask for specifics)
10. Composite Materials (epoxies, carbon fiber, fiberglass, core materials)
11. Orange traffic cones
12. Race tires (ask for specifics)
13. Mandrel Tubing bender
14. Water brake (dynamometer) capable of dissipating 100+HP
15. Tire Changer, Balancer, Rack
16. Computers
17. Timing gates (for autocross)
18. Timing light

Services

1. Powder Coating
2. Anodizing
3. Painting
4. Machining
5. Dynamometer Time
6. Engine Work
7. Advice
8. Any other service you could provide

Disposables

1. Shop towels
2. Brake cleaner
3. Extension cords
4. Fast orange, lava, etc.
5. Large tarps
6. Latex gloves
7. Parts bin organizers
8. Tool chest organizer

WOR GAMES Report

By: Starla McCauley

WOR Games this year is Oct 7&8, 2006 @ Mid-Ohio. We have had a couple of meetings with last having a great turn out of members. The theme this year will be Area 4 Grand Finale (little green men in their racing machines) for our 41st WOR GAMES. The next meeting will be August the 15th at Donatoes Pizza on Pargon Rd in Centerville at 7Pm. So bring your ideas and come join the fun. **YOUR CLUB NEEDS YOU!!!!!!!**

For those of you that have not heard the NEWS, the friday before the WOR GAMES we are having a PDX. Now is your chance to bring your own personal car to the track and with an instructor feel what it is like to drive at speed on one of the country's finest race circuits. Come out and spend the weekend with your club and have the time of your life.

STARLA

ASST. R.E. Report

By: Starla McCauley

The year is quickly going by and it is time to start thinking of what you want your club to be like next year and who you want to guide it . I have sat on the board for several years as WOR Games chair and also now as Asst. RE , neither have been a easy task (alot of work and time)-but both have been rewarding in the fact that you acheive and grow as a person by helping the club that you love.

This club needs fresh ideas and young blood to survive. At many events this year I have watched some of our new members take on tasks to make these events happen without anything in return . I would like to see these people run for elections this fall. If you love your club and want to guide it in directions of greatness now is your chance - Step Up and run for a seat on the board. **MAKE A DIFFERENCE**

SOLO REPORT

By: Pam Poppe

HOT! HOT! HOT! That's the only way to say it. With 55 competitors lots of sunshine, we were off and running. Plenty of cold water was the only way to survive the heat. With a minor timing cable interruption at the finish, a few quick changes, we were on the go again. Everyone enjoyed getting in 8 runs. We did have a few unwanted two legged feather fowl making their way across the lot a couple of times. The rules were you

hit you clean it up. I would like to Thank each driver for coming out on such a hot day and working so well together to make this a wonderful event. I can not do it without each and everyone of you. I would like to welcome Everett McCauley as one of our new Solo Safety. Any scca member that would like to become a solo safety we will be setting up a class. Linda Smiley will be our safety instructor. please let me know as soon as possible so Linda can give us a date and time. The course designers this week were Dennis Cox and Christian Moist, Thanks guys. If you are a SCCA member and would like to design and set up a course for one of the remaining events, just let me know. Also if any member would like to chair an event give me a call. Adam Close we wish you a speedy recovery and hope to see you at the next event. Next event will be August 13 at the Nutter Center lot #8. till then stay healthy and Happy.

Pam Poppe Solo Chair

P.S. now's the time to be thinking about next year. I will not be running for the solo chair position. If you are interested, let me know and you can start training now.

Help Wanted

By: Cindy Hylton

I am contacting you regarding that I am always looking for items to write about, and I would appreciate it if you would let me know any exciting or interesting things that are going on in your region. I am especially looking for unusual events that you may be sponsoring, special milestones that you may be celebrating, special awards you may have received or may be giving out, etc. I am also glad to write about any CENDIV series events such as the rally or solo series or the FF/CFF series. If there is something out there that might be newsworthy, please let me know! This is a lot of territory, and I can't be everywhere at once. There is also usually a photograph included each month, so let me know if you have any interesting photos as well.

You may reach me via e-mail at chylton@tds.net or phone 317-892-4206 (home) or 317-276-1996 (work). I have a column due each month, but I do have to send them in advance. To give you an idea, I just sent in the April column. Please keep in mind that because of the advance writing, it is difficult to announce upcoming events. Usually I find it better to write about something that has already happened so we don't get caught in a time warp.

Thank you very much for any information you can pass on. I hope to hear from some of you!

Cindy Hylton
CENDIV SportsCar Correspondent
