RALLY REPORT

By: Dave Rudy

My Rallycross year started in February with a trek to the Detroit Regions season opener. There were 60 some cars that competed on a nice site that will be used for the National RallyCross coming up in June. This was the first time I had driven my WRX in anger and it was extremely fun but I do miss the toss-ability of the Neon, which will be in service for the rest of the year. It was cold and we had I think eight runs on two different courses. I

took second in the SSA class losing by just .002 seconds after all of the runs were added together. A lot can be said for not hitting cones.

The Western Ohio Region RallyCross series finally got under way on Saturday April 29. Not at Dwire's as planned but at the Hara Complex. The change was made due to the amount of rain we have been having making it difficult for Dwire's to dry out. So the Saturday before the event I talked with Hara and moved the event there. Sixteen brave souls came out and broke in the Hara site which was big and open. The surface started out as grass covered dirt but as we churned things up large stones were being unearthed, that with the gravel driveways used as parking aisles made for some interesting course changes throughout the day. In all most everyone had five runs on the morning and afternoon courses. I think everyone came away satisfied with the Hara site and looking forward to the August event there. Official results and pictures are now posted on the website.

Next up for me is the first ever RallyCross by OVR on Saturday May 6. This should be a good time with them having a nice flat farm field to set up the courses in. OVR is also holding the first ever OVR/WOR RallyCross Challenge on Saturday June 17. This is also a points event for us WOR folks so I expect to see everyone there to uphold the WOR honor.

The next WOR event is at Dwire's on Saturday May 20. See everyone there.

Help Wanted

By: Cindy Hylton

I am contacting you regarding that I am always looking for items to write about, and I would appreciate it if you would let me know any exciting or interesting things that are going on in your region. I am especially looking for unusual events that you may be sponsoring, special milestones that you may be celebrating, special awards you may have received or may be giving out, etc. I am also glad to write about any CENDIV series events such as the rally or solo series or the FF/CFF series. If there is something out there that might be newsworthy, please let me know! This is a lot of territory, and I can't be everywhere at once. There is also usually a photograph included each month, so let me know if you have any interesting photos as well.

You may reach me via e-mail at chlilton@tds.net or phone 317-892-4206 (home) or 317-276-1996 (work). I have a column due each month, but I do have to send them in advance. To give you an idea, I just sent in the April column. Please keep in mind that because of the advance writing, it is difficult to announce upcoming events. Usually I find it better to write about something that has already happened so we don't get caught in a time warp.

Thank you very much for any information you can pass on. I hope to hear from some of you!

RALLY MEMORANDUMS

The RallyCross Board (RXB) is seeking candidates for the position of Divisional RallyCross Steward in the following Divisions: NorPac, SoPac and CenDiv. Anyone interested please send a resume to Pego Mack, Rally Manager at pmack@scca.com

The RallyCross Board is currently seeking to fill two remaining positions on the Board. During this formative year they are seeking candidates from areas with active RallyCross programs. Anyone interested please send a resume to Pego Mack.

The RXB is soliciting input from the membership concerning the 2007 RallyCross rules. The member input period is from March 1st, 2006 to May 31st, 2006. Members wishing to contribute should send their submission via e-mail to rxb@scca.com or via regular mail to the SCCA address listed in *SportsCar*.

RallyCross and RoadRally boards will be using the SCCA website discussion forum to post new information regarding RoadRally and RallyCross. Please go to the site to get new and updated information in addition to *Fastrack* and *Inside line*.
